

SPECTRON OPEN HOUSE

The U.S. Environmental Protection Agency (EPA) and the Galaxy/Spectron Potentially Responsible Parties (PRP) Group invite local residents to tour the Galaxy/Spectron Superfund Site. The tour will provide an opportunity to observe the construction of the stream containment system and to clarify any questions you may have regarding the construction or the project schedule.

Date: November 14, 1998

Location: Former Galaxy/Spectron Facility
Providence and G. Kirk Roads
Elkton, Maryland

Time: 2:00 - 4:00 pm

Walking shoes are recommended.

For additional information, please call Carrie Deitzel at 1-800-553-2509 or Brian Busiek at 202-408-1000.
